Become a Communities of Quality

Corporate Partner

**NAHMA IS PROUD TO ANNOUNCE THE LAUNCH OF THE NEW
COMMUNITIES OF QUALITY (COQ) CORPORATE PARTNER DESIGNATION.**

Management companies that have at least 50 percent of their property portfolio accepted into the COQ National Recognition program qualify for the Communities of Quality Corporate Partner Designation. The portfolio calculation can be based on either number of units or number of properties managed in the company's affordable portfolio and is self-reported. This designation was created specifically to honor management companies that successfully maintain a significant portion of their properties to the high standards of the COQ National Recognition program.

Earn a Significant Mark of Distinction for your Company

Earning this COQ corporate designation is truly an outstanding accomplishment, and it publicly declares that these companies are among the finest managers of affordable multifamily housing in the industry. This designation will add value to the brand of each participating management company and to the Communities of Quality program. We believe that corporate support for this designation will catapult the COQ program into a well-known nationally recognized program honoring excellence in the affordable housing industry.
