

NAHMA Executive, Executive II & III Members

NAHMA

Welcome to NAHMA!

Executive

Executives and owners active in the management of affordable housing are eligible for membership. Members are encouraged to actively advance NAHMA's mission, which is to advocate for quality multifamily affordable housing, the preservation of decent and safe affordable housing and the development of standards for professionals in the industry.

Executive II and III

Often, several Executive members represent a single company or organization. This has many benefits, including savings on membership and other fees. Most of all, membership presents multiple ways to take a leadership position in the industry and expand networking opportunities. There is no limit to the number of Executive memberships representing a company or organization.

Executive Membership Offers You:

- **Voting privileges** on resolutions and policies affecting NAHMA, as well as the affordable housing industry, if you join as an Executive or Executive II member.
- **Eligibility** to chair and serve on committees that shape NAHMA and the affordable housing industry.
- **A free subscription** and reduced advertising rates to NAHMA's bi-monthly *NAHMA News*, the only industry newsletter expressly for affordable housing providers and stakeholders such as you. It is your link to up-to-date news about regulations, legislation and NAHMA initiatives affecting the rapidly changing affordable housing industry.
- **Access** to the NAHMA Web site's resources-rich Members Only area.
- **NAHMA Analysis**, regular in-depth analytical report on key, emerging issues in affordable housing.
- **Professional development** opportunities through nationally-recognized accreditation programs, National Affordable Housing Professional-Executive (NAHP-e), National Affordable Housing Professional (NAHP), Certified Professional of Occupancy (CPO), Fair Housing Compliance (FHC) and Housing Credit Certified Professional (HCCP).
- **Networking** opportunities at three NAHMA membership meetings that draw members and other stakeholders nationwide.
- **Partnerships** with industry organizations which share NAHMA's interest in preservation and development.
- **Participation** in NAHMA's Communities of Quality Awards program which annually recognizes the best in affordable housing.
- **Participation** in NAHMA's Drug-Free Kid Calendar program, which produces an attractive, nationally-distributed full-color calendar acknowledging the artistic talent of youths living in member properties.
