

e-snaps Resource Document – DUNS Number and SAM

This document provides instructions on how to obtain a Data Universal Numbering System (DUNS) Number and register with the System for Award Management (SAM).

All Collaborative Applicants and Project Applicants must have a Data Universal Numbering System (DUNS) Number, and all Project Applicants (including Collaborative Applicants applying for CoC planning funds) must register with the System for Award Management (SAM).

DUNS Number

A DUNS Number, assigned by the company Dun & Bradstreet, is required when submitting any application for Federal funds. If your organization does not already have a DUNS Number, please visit the Dun & Bradstreet website at www.dnb.com or call 1-800-700-2733. The process of obtaining a DUNS Number is free of charge and should take less than 15 minutes.

Most organizations will have a 9-digit DUNS Number. Larger organizations that have multiple departments might already use 4-digit extensions on the DUNS Numbers to distinguish between the various offices with the organization. For example, if a State DUNS Number is 123456789, the Housing, Health, and Transportation Departments should all have different 4-digit extensions, especially since these departments might have different addresses and contact personnel. The 13-digit numbers would look like 123456789-1234. In *e-snaps*, however, the hyphen is NOT entered.

SAM

All Project Applicants must be registered with the System for Award Management (SAM). HUD will not issue a grant agreement for awarded funds to a project applicant until an active SAM registration is verified.

If you had an active record in the Central Contractor Registry (CCR), then you have an active record in SAM. You do not need to do anything in SAM at this time, unless a change in your business circumstances requires an update to your organization's record(s) in order for you to receive an award.

If you did not have an active record in the CCR or if your organization's record expired, you will need to register your organization in SAM. Please visit the System for Award Management website, www.SAM.gov to register or update your organization. You will need to create a user account before registering or updating your organization. The SAM will ask you for the North American Industry Classification System or NAICS (pronounced "naykes") code that best describes your industry. Please enter NAICS code 624229, "Other Community Housing Services." The website has detailed instructions and user guides to assist in registering your organization.
