SUBJECT: Multi-Family Housing Financial Reporting Requirements for
Fiscal Year 2017

This Unnumbered Letter (UL) is issued to clarify the new financial reporting requirements for fiscal year (FY) 2017. The Final Rule for the Multi-Family Housing (MFH) Sections 515/514 new financial reporting requirements was published in the Federal Register and became effective November 24, 2017.

The Final Rule updates Rural Development's MFH financial reporting requirements to establish risk thresholds, align requirements with the United States Department of Housing and Urban Development (HUD), and reduce program operating costs to Rural Development and its borrowers. As a result of these changes, we believe small-portfolio borrowers will realize cost savings in property operating expenses and a consequent reduction in the amount of rent subsidy (Rental Assistance (RA) and HUD Section 8).

The new rule will be effective for borrowers with fiscal years beginning January 1, 2018 and thereafter. The Final Rule changes will not affect FY 2017 reporting requirements. The reporting change will be **OPTIONAL** in FY 2018, as proposed budgets have been submitted and will be **MANDATORY** starting in FY 2019.

Through this rule change, the Agency has removed the requirement for an engagement that examines records using Agreed Upon Procedures (AUP) established by the Agency as part of the annual financial reporting requirements outlined in 7 CFR Part 3560.308. The Agency will allow borrowers to not submit AUPs for FY 2017 reporting cycle by submitting a statement to the servicing official similar to the following. The statement will be for a single project and may be by e-mail or written correspondence prior to or with yearend reports.

EXPIRATION DATE:
January 31, 2019

FILING INSTRUCTIONS:
Housing Programs

Pursuit to the Final Rule 7 CFR Part 3560 to reduce MFH program financial reporting requirements, an engagement that examines records using agreed upon procedures has been eliminated. Accept this as our request to eliminate this engagement for year-end financial reporting of FY 2017 per 7 CFR Part 3560.308.
