

## Specialist in Housing Credit Management® (SHCM®) Company

# Application

The three national associations sponsoring the Specialist in Housing Credit Management® certification program invite your company to become a Specialist in Housing Credit Management® (SHCM®) Company, a corporate designation created specifically to honor management companies that successfully maintain a significant portion of their properties and staff to the high standards of the SHCM certification program. The SHCM program, developed especially for management companies involved with properties developed and operated under the Low Income Tax Credit (LIHTC) program, is sponsored by the National Affordable Housing Management Association (NAHMA), the National Apartment Association Education Institute (NAAEI), and LeadingAge (formerly AAHSA, the American Association of Housing and Services for the Aging).

### Earn a Significant Mark of Distinction for your Company and Other Benefits

Earning this SHCM Company® designation is truly an outstanding accomplishment, and it publicly declares that these companies are among the finest managers of LIHTC housing in the industry. This designation will add value to the brand of each participating management company as a leader in its field of LIHTC housing. As such, companies earning the coveted SHCM Company designation will be provided with an electronic file of the SHCM Company logo, which they will be encouraged to use on all of their communication and marketing materials.

In addition, companies earning the SHCM Company designation will receive a certificate suitable for framing, a letter of congratulations from the SHCM Advisory Board, a listing on NAHMA's SHCM webpage, and a free subscription to the bimonthly NAHMA News.
