NAHMA Announces Entry Deadlines for 2014 Communities of Quality Awards Submissions

The submission deadline for entries to the National Affordable Housing Management Association's (NAHMA) 2014 Communities of Quality Awards program is Nov. 7, 2014. The Communities of Quality Awards recognize outstanding property management companies providing the highest quality of safe, affordable multifamily rental housing in communities across the country.

To enter the 2014 Communities of Quality (COQ) Awards competition, a property must first apply for and achieve National Recognition as a NAHMA Community of Quality with a minimum score of 325 points on its National Recognition Application. The deadline for submitting an application to a local AHMA to become a Nationally Recognized Community of Quality in time to also submit an awards entry is Sept. 8, 2014.

NAHMA is also pleased to announce that this year's COQ Awards program will be jointly sponsored by HD Supply Multifamily Solutions, a leading supplier of maintenance and renovation products to the multi-housing industry, and Navigate Affordable Housing Partners, a leading provider of consulting and development services to public housing authorities and HUD's Section 8 PBCA for Alabama, Mississippi, Virginia and Connecticut.

"It is with great pride that NAHMA continues to promote and manage the Communities of Quality® Program. Year after year, winners of NAHMA's Communities of Quality® Awards demonstrate the commitment of property owners and managers nationwide to provide low- to moderate income residents with the quality affordable housing that is worthy of resident and community pride," said NAHMA President Gianna Solari, FHC, SHCM, NAHP-e.

Detailed application information and submission materials for the NAHMA COQ National Recognition and Awards programs are available at the NAHMA website at <http://www.nahma.org/content/coq.html>.

National Recognition applications should be submitted to a property's local AHMA by Sept. 8, 2014, and COQ awards entry materials should be submitted directly to NAHMA by Nov. 7, 2014, c/o NAHMA COQ Awards Entry, 400 N. Columbus Street, Suite 203, Alexandria, VA 22314.

Award winners will be notified in early January 2015 and will receive their awards in a special ceremony at the NAHMA 2015 winter meeting in Washington, DC.

The awards competition will include five categories:
