NAHMA Educational Foundation Awards 67 Scholarships to Exceptional Students

July 25, 2014, Alexandria, VA -- After receiving a record number of scholarship applications during the submission period earlier this year, the NAHMA Educational Foundation recently announced the names of its 2014 scholarship recipients.

Sixty-seven highly successful student residents were selected from a rigorous field of worthy applicants. This is the largest number of scholarship recipients ever selected in a single year. Each of the 67 scholars will receive a \$2,500 award for a total of \$167,500 to be awarded for the upcoming school year. The monetary total is also a single-year record for the NAHMA Educational Foundation. In the program's eight-year history, the foundation has now awarded 338 scholarships worth more than \$519,000.

"The foundation is extremely proud to be able to offer this much assistance to so many outstanding students living in AHMA member apartment communities across the country," said NAHMA Foundation Chairperson Wayne Fox at the meeting. "We set records this year with the number of scholarships granted and the total amount of money to be disbursed. We were also able to pass the half-million-dollar milestone for money awarded over the history of the program. The foundation is sincerely appreciative of all the donors who continue to support this wonderful program."

Students from 10 different AHMAs living in 20 different states, the District of Columbia and the U.S. Virgin Islands received scholarships:
