Business Exchange Debuts at NAHMA's March Meeting

Alexandria, Va., Feb. 13, 2015 — The National Affordable Housing Management Association's Federal Affairs Issues meeting, March 8-10, in Washington, D.C., is quickly approaching. Online [registration](#) closes Feb. 27.

While the three-day event is jam packed with informational sessions covering topics vital to the affordable housing management industry, NAHMA is interjecting a little fun with the debut of the Business Exchange, March 8, from 6-7:45 p.m.

Think of the exchange as speed dating for the professional set. Participating Affiliate members will have an opportunity to meet—in 10-minute increments—with owners and managers. A moderator will keep track of time. The event also serves as a fundraiser for the NAHMA Educational Foundation. Additionally, there will be appetizers and cash bar. Due to limited space, interested Affiliate and Executive members must preregister by Feb. 20 to attend the exchange.

The Business Exchange offers members a chance to network in a casual environment, where participants get equal time without the pressure or hard sell. The event is a good way to cap off the first day of the forum.

The Federal Affairs Issues meeting, March 8-10, takes place at the Fairmont Washington, D.C., Georgetown, 2401 M St. NW, Washington, DC 20037, and features educational panels, networking opportunities, industry awards and the Communities of Quality® (COQ) awards luncheon. It concludes with prearranged Capitol Hill meetings with congressional representatives and their staff.

Event registration includes admission to the COQ luncheon, Monday, March 9. Participation in the Business Exchange and Hill visits is separate and must be arranged in advance. To see the full agenda, visit the [Meetings page](#) on the [NAHMA website](#).
