NAHMA 2016 Vanguard Awards Application Due in Less Three Weeks

Alexandria, Va., March 16, 2016 — There is just over two weeks left to perfect your NAHMA 2016 Affordable Housing Vanguard Awards application. The deadline is April 4. The [application](#) can be downloaded from the Vanguard Award webpage, www.nahma.org/awards-contests/vanguard-award.

The [Vanguard Award](#) recognizes new, quality multifamily affordable housing development or significantly rehabbed existing affordable housing. The award pays tribute to developers of high-quality affordable housing; demonstrates that exceptional new affordable housing is available across the country; demonstrates the creativity and innovation that must be present to create exceptional properties given the financing and other challenges to development; highlights results of private-public partnerships required to develop today's affordable housing; and shares ideas for unique design and financing mechanisms with industry practitioners to further stimulate creative development in the affordable multifamily industry.

The Vanguard Award categories include:

- New Construction, two subcategories: more than 100 units and under 100 units.
- Major Rehabilitation of an Existing Rental Housing Community.
- Major Rehabilitation of a Nonhousing Structure into Affordable Rental Housing.
- Major Rehabilitation of a Historic Structure into Affordable Rental Housing.

Affordable multifamily housing communities that are less than 3 years old—as of April 4, 2016—may apply, based on date of completion of new construction or completion of major rehab. Please note: A management company may submit only one entry for each category.
