Navigate Issues Challenge to Match Educational Foundation Donation

Alexandria, Va., April 5, 2016 — Navigate Affordable Housing Partners (Navigate), headquartered in Birmingham, Ala., has made a \$50,000 donation in support of the [NAHMA Educational Foundation](#) 2016 scholarship program and challenges others to do the same.

“Our \$50,000 donation to the NAHMA Educational Foundation will help sponsor its 2016 annual fundraising dinner,” Eric Strong, Navigate CEO, said. “As a foundation board member, I see firsthand the great work this board is doing to create opportunities to continue education for residents of affordable housing. Navigate is thrilled to continue supporting these initiatives, as we have done for the past 10 years.”

In addition to the donation, Navigate has agreed to match—up to an additional \$50,000—any new donor sponsorships for the June 15 event, which will be held at Twenty Five Lusk in San Francisco. This annual fundraising dinner supports the scholarship fund for the NAHMA Educational Foundation, a 501(c)(3) nonprofit corporation dedicated to furthering the educational opportunities of residents living in an Affordable Housing Management Association (AHMA) member property. In 2015, the scholarship program awarded a total of \$212,500 to worthy post-secondary school students.

“We are overwhelmed by Navigate’s generosity and are pleased to partner with them. We look forward to speaking directly with potential donors and promoting these matching seed funds to significantly increase the number of scholarship awards available in 2017,” Melissa Fish-Crane, NAHMA Educational Foundation chairperson, said.
