PROTECTING THE INTERESTS OF AFFORDABLE HOUSING PROPERTY MANAGERS AND OWNERS

NAHMA Educational Foundation Looks to Exceed Expectations in 2017

Alexandria, Va., Jan. 27, 2017 — The National Affordable Housing Management Association (NAHMA) Educational Foundation recently concluded its 2016 program year, during which it awarded a total of \$197,500 to worthy post-secondary school students who are residents of NAHMA and Affordable Housing Management Association (AHMA) member properties.

Over the life of the program, more than \$931,500 has been awarded to NAHMA scholars. In 2016, 79 worthy student residents received \$2,500 each. The scholars came from 23 different states and represented 13 different AHMAs.

"The NAHMA foundation was very pleased with the strong application response that was received in 2016 and the outstanding overall quality of the applications we received. Our ability to fund these awards is a direct result of the generous and continuing support of our many donors. The foundation is truly grateful to each and every donor for their support," NAHMA foundation chairperson, Melissa Fish-Crane, said.

The 2017 scholarship application will be available to prospective applicants beginning at 12:01 a.m., Feb. 2. Any resident in good standing at an AHMA affiliated apartment community that is a high school graduate and is enrolled at a community college, college/university or trade/technical school is eligible to apply. High school seniors are also eligible to apply. The application is available at <https://nahma.communityforce.com>. The application must be completed online and May 31 is the deadline for finalized applications. Completed applications must include an application form, two references, an essay, official grade transcript and a certification of residency in good standing form.
