NAHMA COQ Awards Applications Due Friday

Alexandria, Va., Nov. 1, 2017 — Now is the time to be putting the finishing touches on your application for the National Affordable Housing Management Association (NAHMA)'s [Communities of Quality](#) (COQ) Awards. The submission deadline is this Friday, Nov. 3. To download a copy of the awards brochure, which includes the application, visit https://www.nahma.org/wp-content/uploads/2017/05/COQ_brochure_2017_FILLABLE-FINAL.pdf.

To be eligible for the awards competition, a property must first apply for and achieve national recognition as a NAHMA Community of Quality with a minimum score of 325 points on its National Recognition application.

The COQ Awards recognize outstanding property management companies providing the highest quality of safe, affordable multifamily rental housing in communities across the country.

Detailed application information and submission materials for the NAHMA COQ National Recognition and Awards programs are available on the NAHMA website at <http://www.nahma.org/awards-contests/communities-of-quality>.

“The Communities of Quality Awards honor the achievements of affordable housing providers who make an unprecedented contribution to developing outstanding properties for families of modest means. NAHMA believes it is essential that outstanding affordable properties—and the individuals who establish them—be publicly recognized for providing quality housing that offers a safe, healthy environment,” Michael Johnson, SHCM, NAHP-e, NAHMA president, said. “They are communities supplying essential programs and services for their residents. These awards bring valuable well-deserved attention to the important work we are all doing.”

The awards competition has five categories:

- Exemplary Family Development
- Exemplary Development for the Elderly
- Exemplary Development for Residents with Special Needs
- Exemplary Development for Single Room Occupancy Housing
- Outstanding Turnaround of a Troubled Property

Award winners will be notified in early January 2018 and will receive their awards during a special ceremony at the NAHMA 2018 March meeting in Washington, D.C.
