- Thank you Congress for the 10% increase in affordable housing funding in FY18! Keep up the momentum in FY19 to make up for lost ground. #ScoreMoreHousing #NAHMA18
- Rental Assistance provides decent, safe housing and a platform for success, but the need for housing assistance outstrips the supply. Invest in #AffordableHousing! #ScoreMoreHousing #NAHMA18
- HUD and USDA housing and community development programs have proven track records for success. Stop underfunding #AffordableHousing and invest in stable communities. #ScoreMoreHousing #NAHMA18
- Of the families who qualify for housing assistance, only one in four get the help they need. Without stable housing, communities and the economy suffer. We all benefit from investments in #AffordableHousing. Tell Congress to #ScoreMoreHousing!
- According to [@HousingACTION](#), there is 15-20% less Housing Credit equity available today through the 4% credit than originally provided. Congress must pass HR. 1661 & S. 548 to spur #AffordableHousing development. #NAHMA18
- In no state in the entire country is a decent, 2-bedroom apartment affordable at minimum wage. Rent burdens make the overall economy less competitive and drain money away from those who need it the most – urban and rural. Invest in communities and #ScoreMoreHousing.
- Thank you @SenatorCollins @SenJackReed for investing in #AffordableHousing this year. Keep up these critical investments to #ScoreMoreHousing.
- Families can thrive because of housing & community development investments at HUD and USDA. Let's build on the 10% boost we won this year and make America stronger for everyone. #ScoreMoreHousing #NAHMA18
- Rural Communities are the backbone of our country. We need to meet the #AffordableHousing needs of our rural populations by preserving and expanding rural rental assistance. #NAHMA18

- The LIHTC program is critical for affordable housing development...Thanks to leaders in Congress for expanding the credit allocation. Let's keep protecting and strengthening the #HousingCredit to #ScoreMoreHousing for low-income families.
- Support the Rental Assistance Demonstration program to provide aging affordable properties with access to capital and preserve the affordable portfolio. Housing is a platform for success #ScoreMoreHousing #NAHMA18
- We need innovative solutions to meet the housing and services needs of our growing senior population. Tell Congress to expand #Accessible and #Affordable housing for low-income elderly households. #ScoreMoreHousing #NAHMA18
- @NLIHC highlights only 1 in 4 eligible people receive housing assistance. Congress should fully fund rental assistance programs and expand the Housing Credit program. #ScoreMoreHousing #NAHMA18

- [@Harvard JCHS](#) finds Housing Assistance remains flat, while number of households eligible for assistance increased. Congress must fully fund rental assistance programs and expand the housing credit. #ScoreMoreHousing #NAHMA18
