Government Shutdown Impact On Expiring Conditional Commitments

Section 538 Lender;

We are reaching out to you in case you have a conditional commitment that expired between December 21, 2018 and January 25, 2019. Through this email we are informing you that USDA Rural Development is extending conditional commitments that expired during that time period and waiving the required \$1,500 extension fee. No action on your part is required for the extension to take effect.

RD-State office personnel are available should you have any questions regarding the extension.

On behalf of USDA Rural Development and our Multifamily Housing staff across the country, we look forward to serving you and thank you for your continued work in rural America.
