PROTECTING THE INTERESTS OF AFFORDABLE HOUSING PROPERTY MANAGERS AND OWNERS

## There's Still Time to Qualify for the NAHMA COQ Awards

*Alexandria, Va., June 20, 2019* — Before entering the NAHMA 2019 Communities of Quality (COQ) [Awards competition](#), a property must first apply for and achieve national recognition as a NAHMA [Community of Quality](#) with a minimum score of 325 points on its [National Recognition](#) application. If a property is not currently a nationally recognized COQ property, the deadline for submitting an entry-level application to a [local AHMA](#) for consideration in the national program is Sept. 5. Don't wait until the last minute to become certified or to increase your score to qualify for the awards competition.

The submission deadline for the awards competition to NAHMA is Nov. 7. The COQ Awards recognize outstanding property management companies providing the highest quality of safe, affordable multifamily rental housing in communities across the country. To download a copy of the COQ Awards brochure, visit [https://www.nahma.org/wp-content/uploads/2019/05/COQ\\_brochure\\_2019\\_FINAL.pdf](https://www.nahma.org/wp-content/uploads/2019/05/COQ_brochure_2019_FINAL.pdf).

Detailed application information and submission materials for the NAHMA COQ National Recognition and Awards programs are available on the NAHMA website at <https://www.nahma.org/awards-contests/communities-of-quality>. All COQ nationally recognized properties are eligible to highlight their accomplishments through the use of [Digital Smart Badges](#) on their properties' websites, enabling web visitors to see, and validate, their COQ national recognition status through a simple "click and verify" process.

"The Communities of Quality Awards honor the achievements of affordable housing providers who make an unprecedented contribution to developing outstanding properties for families of modest means. NAHMA believes it is essential that outstanding affordable properties—and the individuals who establish them—be publicly recognized for providing quality housing that offers a safe, healthy environment," Timothy Zaleski, SHCM, NAHP-e, NAHMA president, said. "They are communities supplying essential programs and services for their residents. These awards bring valuable well-deserved attention to the important work we are all doing."

The awards competition has five categories:

- Exemplary Family Development
- Exemplary Development for the Elderly
- Exemplary Development for Residents with Special Needs
- Exemplary Development for Single Room Occupancy Housing
- Outstanding Turnaround of a Troubled Property

Award winners will be notified in early January 2020 and will receive their awards in a special ceremony at the NAHMA Biannual Top Issues in Affordable Housing Winter Conference, March 8-10, in Washington, D.C.

This year's COQ Awards program is once again jointly sponsored by HD Supply Multifamily Solutions, a leading supplier of maintenance and renovation products to the multihousing industry, and Navigate Affordable Housing Partners, a leading provider of consulting and development services to public housing authorities and the HUD Section 8 project-based contract administrator (PBCA) for several states.

Entry-level National Recognition applications are due to the property's local [AHMA](#) by Sept. 5. COQ Awards contest application materials should be submitted directly to NAHMA by Nov. 7, c/o NAHMA COQ Awards Entry, 400 N. Columbus St., Suite 203, Alexandria, VA 22314.

The AHMAs will also be honoring their local NAHMA Communities of Quality program participants. Please check your local AHMA's program details; a directory of the AHMAs is available on the NAHMA website, at <https://www.nahma.org/membership/ahma-directory/>.
