This webinar will focus on cleaning and disinfecting to protect individuals residing in HUD-assisted multifamily properties. A representative from HUD's Multifamily Housing in conjunction with representatives from the CDC and Washington State Dept. of Health will deliver presentations on their interim guidance on facility cleaning when a person with coronavirus infection is present or suspected.

TARGET AUDIENCE: *Managers and maintenance staff of HUD-assisted multifamily housing properties*

When: *May 4, 2020*

Time: *1:00 pm to 2:00 pm EST*

Registration: *Please register here*

Advance Questions: *Submit questions here* <https://www.surveymonkey.com/r/NHHCRH9>

Panelists: *Christie Newhouse, Acting Dir., Assisted Housing Oversight, HUD Multifamily Housing; Nancy Bernard, WA St. Dept. of Health; and CDC Representative*

We will highlight CDC recommendations on the cleaning and disinfection of facilities where persons possibly infected, or those with confirmed COVID-19 reside, or may be in self-isolation. It is aimed at limiting the survival of the virus in the environment. These guidelines are focused on common areas in multifamily housing settings and are meant for the property managers and maintenance staff who service buildings where the COVID-19 disease may be present.
