PROTECTING THE INTERESTS OF AFFORDABLE HOUSING PROPERTY MANAGERS AND OWNERS

## **NAHMA Stands for the Fair Treatment and Justice for All People of Color**

*Alexandria, Va., June 8, 2020* — During this solemn week as George Floyd is laid to rest, we at the National Affordable Housing Management Association (NAHMA) extend our deepest sympathies to Mr. Floyd's family and loved ones on their profound loss at the hands of hatred, cruelty, injustice and racism. We also extend our deepest sympathies to the families of Ahmaud Arbery, Breonna Taylor and the too many others who have also lost their loved ones to these pernicious forces. What will not be laid to rest is all the good, kindness and love that Mr. Floyd stood for, and the spirit that has been ignited these past days that racism of any kind—overt, subtle, systemic and beyond—will not be tolerated anywhere, by anyone. Period. We must all stand up for fair treatment and justice for all people of color in all that we say and do, because Black Lives Matter.

NAHMA is the leading voice for affordable housing management, advocating on behalf of multifamily property managers and owners whose mission is to provide quality affordable housing. NAHMA supports legislative and regulatory policy that promotes the development and preservation of decent and safe affordable housing, is a vital resource for technical education and information and fosters strategic relations between government and industry. NAHMA's membership represents 75% of the affordable housing industry, and includes its most distinguished multifamily owners and management companies.
