Copies of available documents submitted to OMB may be obtained from Ms. Pollard.

SUPPLEMENTARY INFORMATION: This notice informs the public that HUD has submitted to OMB a request for approval of the information collection described in Section A. The **Federal Register** notice that solicited public comment on the information collection for a period of 60 days was published on May 18, 2020 at 85 FR 29736.

A. Overview of Information Collection

Title of Information Collection: HUD Multifamily Rental Project Closing Documents.

OMB Approval Number: 2502-0598.

OMB Expiration Date: 09/30/2021.

Type of Request: Revision of currently approved collection.

Form Number Being Revised: HUD-92420M.

Description of the need for the information and proposed use: The form, Subordination Agreement, HUD-92420M, is used in FHA-insured multifamily rental project loan closings with secured, publicly financed secondary debt, often to promote affordable housing. The document is used to subordinate such secured, secondary financing to the lien of the FHA-insured mortgage, which must be in a first lien position as required by the National Housing Act (12 U.S.C. 1701 et. seq.), on terms and conditions that are legally and administratively acceptable to HUD.

The Subordination Agreement is part of a larger information collection (OMB Control No. 2502-0598) that consists of numerous other closing forms (Closing Documents) used in FHA-insured multifamily transactions. The Closing Documents, including the Subordination Agreement, were last updated pursuant to the Paperwork Reduction Act (PRA) in 2018. However, HUD was not able to complete its review of public comments received in connection with the 30-day **Federal Register** notice (83 FR 29815; 30-day notice) published for the previous PRA renewal for the Closing Documents prior to the OMB deadline. Therefore, when HUD initiates a new PRA process for the Closing Documents later this year, it will include, as a starting point, changes HUD anticipated making in response to the public comments received with the 30-day notice.

Notwithstanding, due to concerns that state and local housing finance agencies (HFAs) have expressed concerning certain terms and conditions in the 2018 Subordination Agreement, HUD is initiating this separate PRA renewal effort in order to allow HFAs and other interested members of the public an opportunity to comment on the form and HUD to make agreed upon changes on a more immediate timeline. It is HUD's goal that the PRA process for the Subordination Agreement will result in a form that is widely accepted by HFAs to promote greater efficiency and consistency in the FHA multifamily closing process, while also allowing flexibility for HFA requested changes necessary for state or local law, as discussed immediately below.

Revisions to the Subordination Agreement

HUD added the following instruction at the request of OMB given HUD's policy of considering requested Subordination Agreement changes to accommodate state or local law: "HUD will consider requested changes to this form that are necessary to comply with
