PROTECTING THE INTERESTS OF AFFORDABLE HOUSING PROPERTY MANAGERS AND OWNERS

## NAHMA Statement on Derek Chauvin Conviction

*Alexandria, Va., April 21, 2021* — The National Affordable Housing Management Association (NAHMA) is heartened by the verdict delivered in Minneapolis yesterday, and prays that it brings a sense of justice to the family of George Floyd. But sadly, the verdict cannot temper the grief for the family of losing a loved one. And there are still too many families across the country mourning the loss of loved ones at the hands of hatred, cruelty, injustice and racism. The verdict is hopefully a step forward on our national journey to eradicate racism of any kind—overt, subtle, systemic and beyond. NAHMA stands in support of this movement forward to ensure equity, inclusion and justice in all aspects of life in America.

NAHMA is the leading voice for affordable housing management, advocating on behalf of multifamily property managers and owners whose mission is to provide quality affordable housing. NAHMA supports legislative and regulatory policy that promotes the development and preservation of decent and safe affordable housing, is a vital resource for technical education and information and fosters strategic relations between government and industry. NAHMA's membership represents 75% of the affordable housing industry, and includes its most distinguished multifamily owners and management companies.
