Part IV. Additional Justification for Requests Exceeding the Standard CSP Amount

Properties requesting funding at or below the Standard CSP amount (line 24) do not need to complete Part IV and should skip to Part V. CSP requests that exceed the Standard CSP amount require completion of Section IV and submission of documentation for expenses. This includes amendments to CSPs approved in prior Operating Periods where the combined total of the original payment and amendment amount exceeds the Standard CSP amount.

26. Justification Narrative for Payment Requests Exceeding the Standard Payment Amount. See Notice H 2021-05, Section X for more information on the expected content of the narrative. This justification is required for all requests that exceed the Standard CSP amount (line 24).

27. Description of Capital Investments for which Reimbursement is Requested. See Section X of Housing Notice 2021-05 for more information on expected content of this description. The description is only required where the total request exceeds the Standard CSP amount and the request includes Eligible Capital Expenses (line 17).

28. Financial Need Justification for requests exceeding the Standard CSP Payment amount. See Section X of Housing Notice H 2021-05 for more information on expected content of this narrative. A response is only required for properties that recognized surplus cash at the end of their most recently completed project fiscal year.

29. Have you withdrawn or requested withdrawal of residual receipt balances in 2020 or 2021 for COVID-19 Expenses? (Y/N) If yes, how much?

HUD-52671-E (10/2021) ref. Notice H-2021-05

Part V. Certification and Acceptance of Terms

Owner's Certification and Acceptance of Terms: I certify that:

(1) The requested payment was computed in accordance with HUD's Housing Notice H-2021-05. It reflects only expenses incurred during the operating period(s) specified for eligible activities and purposes.

(2) The property and ownership are in good standing with HUD, as defined in Section IX of Housing Notice 2021-05.

(3) No amount included on this funding request has been paid from other forms of governmental or philanthropic assistance provided to address the impacts of COVID-19 or previously reimbursed from a HUD residual receipts account governed by a Section 8 HAP, or an FHA or Capital Advance regulatory agreement.

(4) If requesting funds that exceed the *Standard CSP* amount for the property (line 24) AND/OR requesting amounts for expenses incurred before April 1, 2021, I have considered current project funds and anticipated revenues for the next nine months and determined a larger CSP reimbursement is needed to address project operating needs. I understand that properties projecting surplus cash at the close of their current project fiscal year and any Section 8 project for which the owner anticipates taking distributions at any point within the next 12 months are not eligible for a CSP that exceeds the *Standard CSP* amount.

(5) If receiving funds for a Section 8 property that exceed the *Standard CSP* amount, I agree to limit distributions of surplus cash in the following manner through 9/30/2022, notwithstanding the terms of the Housing Assistance Payment contract: Should variances in projected financial performance result in surplus cash, I agree to deposit an amount equal to the amount of the CSP in the project residual receipt account, prior to taking any cash distributions distributions at any point from the issue date of the notice through 9/30/2022. Or, if the Section 8 contract and governing regulations do not require the project owner to maintain a residual receipt account, I agree that upon taking distributions at any point from the issue date of this notice through 9/30/2022, an amount at least equal to the amount of the CSP must be retained in the operating account to address future project costs that is over-and-above the resources needed for operating requirements known at that time.

(6) Where required by Section IX of Notice 2021-05, I agree to deposit amounts received as reimbursement for Eligible Capital Expense items in the project's Reserve for Replacement account.

(7) If requesting funds for *Eligible Capital Expenses (line 17)* all equipment for which CSP is requested has been delivered and installed or is under contract to be delivered and installed no later than March 31, 2022.

(8) If receiving CSP assistance for a Section 8 HAP contract that expires within 120 days, I anticipate renewal of the contract and have not communicated intent to opt-out.

(9) Upon request by the Department of Housing and Urban Development, its duly authorized representative, or the Comptroller General of the United States, I will make available for audit all books, records and documents related to this assistance payment. I, the undersigned, certify under penalty of perjury that the information provided in this form is true and correct. WARNING: Anyone who knowingly submits a false claim or makes a false statement is subject to criminal and/or civil penalties, including confinement for up to 5 years, fines, and civil and administrative penalties. (18 U.S.C. §§ 287, 1001, 1010, 1012; 31 U.S.C. §3729, 3802)

Calculation Worksheet for Minimum Expected Funding and Priority Categories for Requests Exceeding the Standard CSP Payment Level (Optional to Complete)

The worksheet below will provide information about the Minimum Expected Funding level for your request should the property and all expenses meet eligibility requirements in Notice 2021-05.

Most totals below have been automatically calculated based on your entries in Lines 1-25 of this form. However, if you are submitting more than one HUD 52671-E request form under Round IV due to having eligible costs in multiple Operating Periods, then you must manually populate expense data from those other forms in order to receive accurate results.

IMPORTANT: The minimum funding allocation is per property for CSP Round IV and does not increase when submitting requests for multiple Operating Periods.

		ne appropriate scaling factor to the Standard CSP amount for the property. To do this, multiply the amount on a property has a PRAC,PAC, or SPRAC OR multiply by "1" for Section 8 HAP contracts.	
smalle	er of the tw	e the result in Step 1 to the Total Round IV CSP Request to determine Minimum Expected Payment. The o numbers is your Minimum Expected Funding level. If submitting more than one HUD 52671-E, you must Is from the other forms into the expense data fields below before making the comparison.

*Worksheet calculations are provided for informational purposes only and do not reflect an obligation by HUD to fund the property at the level indicated. All payment approvals are subject to property and expense eligibility reviews and continuing availability of appropriations. This form must be completed by owners to request payment of supplemental assistance to offset operating cost increases related to COVID-19. Amounts are available to properties with project-based rental assistance contracts under Section 8, Section 202, and Section 811. Please consult Housing Notice H-2021-05 for additional information on eligibility requirements.

The Department of Housing & Urban Development is authorized to collect this information by the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) (Pub. L. 116-136, approved March 27, 2020). The CARES Act provided an additional \$1 billion under the heading *Project-Based Rental Assistance* (PBRA) for Section 8 properties, \$50 million under the heading *Housing for the Elderly* (Section 202), and \$15 million under the heading *Housing for Persons with Disabilities* (Section 811) to "prevent, prepare for, and respond to coronavirus, including to provide additional funds to maintain normal operations and take other necessary actions during the period that the program is impacted by coronavirus."

The owner/agent must provide all information in order to be considered for a COVID-19 Supplemental Payment from CARES Act funding. The information provided will be used by HUD to determine if a request may be funded and the appropriate level of funding to provide.

HUD may disclose this information to Federal, state, and local agencies when relevant to civil, criminal, or regulatory investigations and prosecutions. Otherwise, it will not be disclosed or released outside of HUD, except as permitted or required by law. HUD does not promise confidentiality but will not disclose data on specific tenants. No questions of a sensitive nature are asked in this form.

Public reporting burden for this collection of information is estimated to average 1.1 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. The agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless that collection displays a valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions to reduce this burden, to the Reports Management Officer, QDAM, Department of Housing and Urban Development, 451 7th Street, SW, Room 4176, Washington, DC 20410-5000. When providing comments, please refer to OMB Approval No. 2502-0619.
