Online Registration for the NAHMA March Meeting Closes Next Week

Alexandria, Va., Feb. 24, 2022 — Online registration for the in-person National Affordable Housing Management Association (NAHMA)'s Biannual Top Issues in Affordable Housing [winter conference](#) closed next week on March 4, so now is the time to [register](#). Hotel room reservations are separate and not included in the meeting registration.

The District of Columbia's government coronavirus requirements will have expired or been scaled back by the time of the meeting taking place March 9-11. However, in an abundance of caution and at the direction of its Board of Directors, NAHMA requires that all attendees to the NAHMA March 2022 meeting be vaccinated against COVID-19 or test negative 72 hours prior to the event.

Don't miss your chance to hear the latest on the issues impacting the affordable housing industry. After a two-year pause, the in-person NAHMA Biannual Top Issues in Affordable Housing [winter conference](#) at the [Fairmont Washington](#) in Washington, D.C., is back. Unlike past in-person meetings, we will be gathering Wednesday through Friday. The multiday event, March 9-11, will feature panels concentrating on the issues facing affordable housing practitioners and educational topics for navigating today's world led by experts in their fields.

The annual meeting features several educational panels geared explicitly toward the affordable housing industry. Invited guests include representatives from the Housing and Urban Development and Agriculture departments and more. Panels featuring government officials and other special guests are not open to the media and may not be recorded. Event registration includes admission to all sessions and open committee meetings, the Communities of Quality Awards luncheon and panel discussion, and the Industry Awards ceremony. Both awards celebrations take place Thursday, March 10.

For an at-a-glance preliminary agenda and up-to-date meeting protocols, visit the [Meetings](#) page on the NAHMA website. The NAHMA meeting is made possible by Platinum sponsors HD Supply, OMNIA Partners, Multifamily Housing and USI; Gold sponsors Allergy Technologies and ResMan; Silver sponsor HAI Group; and Bronze sponsor Dauby O'Connor & Zaleski LLC.

Per the D.C. government, masks will no longer be required in most indoor settings as of March 1; however, individual businesses will still have the right to require customers to wear them. Masks will be required for public transportation, taxis and rideshare services.

In an abundance of caution and at the direction of its Board of Directors, NAHMA requires that all attendees to the NAHMA March 2022 meeting be vaccinated against COVID-19 or test negative 72 hours prior to the event.

NAHMA will update members of changing requirements if needed and encourages attendees to visit coronavirus.dc.gov for the latest updates.
