National Affordable Housing Management Association (NAHMA), in cooperation with Brenda Harrington, founder of Adaptive Leadership Strategies LLC, offers the fully virtual program. *NELLManager* focuses on topics relevant to first-line professionals, including property managers, leasing managers, maintenance managers and compliance specialists. [Register](#) today for *NELLManager* through the NAHMA Online Store at nahma.org; space is limited.

The original NELLS program will continue to focus on topics relevant to senior organizational managers and leaders, typically at the director, regional and officer level, and above, and will be offered in August 2024.

NELLManager is an entirely virtual program that combines small group learning with one-to-one coaching beginning Feb. 8, 2024. The [program](#) is limited to a maximum of 15 participants, and the registration deadline is Jan. 9, 2024. Course topics include Developing a Manager Mindset, Personal Management Style, Difficult Conversations and Delivering Feedback, Setting Priorities, Strategic Communication, Managing Change, and Resource Management.

The NELLS course family was created exclusively for affordable housing property management professionals. Both NELLS and *NELLManager* are designed as blended programs combining cohort learning benefits with executive coaching. In addition to three group sessions, each participant will have two one-on-one coaching sessions to tailor program content to their specific requirements. All sessions are conducted using the Zoom videoconferencing platform. Group sessions are 90 minutes, except for Session I, which is 120 minutes and includes program orientation. All group sessions begin at 2 p.m. Eastern. Coaching sessions are scheduled individually and will alternate with group sessions.

The orientation and first session for *NELLManager* are Thursday, Feb. 8, from 2-4 p.m. Eastern. Session two takes place Thursday, Feb. 29, 2-3:30 p.m. Eastern, and the final session is Thursday, March 21, 2-3:30 p.m. Eastern. Two 60-minute one-to-one coaching sessions will be scheduled individually with participants.

A key component of adult learning is to be able to apply new knowledge in context. The one-to-one coaching sessions enable each participant to apply the content discussed during group sessions to his/her specific work environment and circumstances.

Although there are no formal assignments, participants are expected to begin applying what they learn during group and one-to-one sessions and then be willing to speak in general terms about the impact of what they learn during subsequent sessions.

Class size is limited to five to 15 participants, and registration is first-come, first-served. Tuition is \$1,250 per person; NAHMA must receive full tuition payment by Jan. 9. Program withdrawals will be accepted until one day before the first group session.

Additionally, participants completing the program will be eligible for a free two-year associate membership with NAHMA.
