

Specialist in Housing Credit Management[®] (SHCM[®]) Application

The National Affordable Housing Association invites you to become a **Specialist in Housing Credit Management (SHCM)**, NAHMA's certification developed especially for management professionals involved with properties developed and operated under the Low Income Housing Tax Credit (LIHTC) program.

To earn the SHCM certification, candidates must meet the following five eligibility components:

1. Education - successfully complete a minimum of 12 hours (actual instruction time) of housing credit specific coursework or training by an approved provider* within the past two years.
2. Examination - successfully pass the SHCM exam. When you are ready to take the exam, please call the NAHMA SHCM Program Manager who will assist you in identifying proctors/locations to sit for the online exam.
3. Professional Experience - demonstrate a minimum of two years of housing credit management employment experience.
4. SHCM Code of Professional Conduct-commit to a defined code of professional conduct
5. Continuing Education - meet a continuing education requirement of six hours of housing credit specific coursework or training by an approved provider* per year. (Certificants will be required to renew their certification annually and remit a \$185 renewal fee annually on August 1st.)

*Approved providers are listed on NAHMA's Web site at www.nahma.org

Candidacy Option - Those candidates with less than the required two years of employment experience may still take the SHCM exam, provide a certificate demonstrating 12 hours of housing credit training, and complete a SHCM application; however these candidates will need to participate in a "candidacy period" equal to the amount of time remaining to meet the two-year experience requirement. Once the candidacy period is satisfied, the candidate may then begin to use the SHCM certification. Candidates selecting this option must pay an additional one-time non-refundable administrative maintenance fee of \$125 with this application.
