

SHCM Continuing Education Tracking Form - Year 2024-2025

Courses for continuing education credit may be selected from any NAHMA/AHMA or **industry-related*** instructional offerings. One continuing education unit (CEU) is equal to one hour of instruction/training. In order for an event to be considered as an eligible CEU, it must possess a published agenda and/or a specific topic area. Workshops, seminars, and technical sessions can be used for continuing education if the event meets the above criteria. All courses are credited at the rate of one education unit for each instructional hour. **You must meet a continuing education requirement of six units of housing credit specific coursework or training by an approved provider* per year (certificate holders will be required to renew their certification annually).**
