

NAHMA Executive, Executive II & III Members

Welcome to NAHMA!

Executive

Executives and owners active in the management of affordable housing are eligible for membership. Members are encouraged to actively advance NAHMA's mission, which is to advocate for quality multifamily affordable housing, the preservation of decent and safe affordable housing and the development of standards for professionals in the industry.

Executive II and III and additional

Often, several Executive and more members represent a single company or organization. This has many benefits, including savings on membership and other fees.
